Bless This Table 3 part round Bonnie Johnson

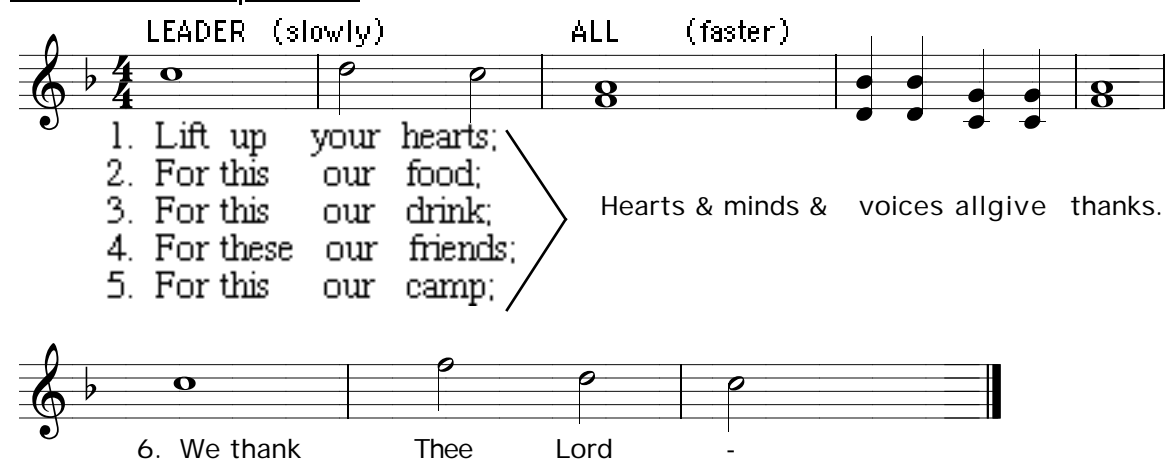

Bless this table, Lord and those who gather round. Bless this
 food and may it keep our bodies sound. Let our lives in love a bound.

Traveler's Grace
 Eyylyn Stobie

We thank Thee for all our daily bread, We thank Thee
 We thank Thee for all the winding roads, We thank Thee
 for all our friends so true. For fields and flow'rs and
 for all the stars so bright. For desert sands and
 mountains high. The endless space of the sky so blue.
 for ests green. The campfire glow in the lovely night.
